

7th March

Lord, we pray for integrity and justice to prevail as Covid-19 vaccines are produced, sold, and distributed to people all over the world. Please raise up leaders in rich nations who will campaign for poorer countries to have access to what they need to recover from the pandemic. Amen.

14th March

Thank You, Lord, for the dedication and love of mothers. Please draw close, strengthen, and instil living faith into those who are going through tough times, especially in the wake of Covid-19 which has caused such heartache and difficulty. Amen.

21st March

Oh God, we worship you, our Rock; 'Your works are perfect, all Your ways are just. A faithful God who does no wrong.' May Your people who know Your ways demonstrate Your passion for people to be dealt with fairly, and work to bring justice throughout the world. Amen.

28th March

Father, we give thanks for so many opportunities to share Your Word. Please bless Bible Society, Biblica, Gideons, Lifewords, Walk through the Bible, Wycliffe, websites like biblegateway.com and crosswalk.com and other organisations engaged in this ministry. Amen.

Father of all compassion and truth, we offer You our praise and worship on this resurrection day, in the company of Your people throughout the world who celebrate Christ's complete victory over death as the power of the Holy Spirit raised Him to new life. Alleluia! Amen.

11th April

Lord, we give thanks for the ingenuity, knowledge, determination, and skill for those working in science, engineering, technology, and maths who are searching for ways to solve problems caused by global warming and other major threats to our planet. Please grant them success. Amen.

18th April

Father, we pray for true unity and love and truth to grow among men and women in church leadership all over the world. Whether they are rich, poor, weak, strong, influential, disregarded, persecuted, all are one in Christ Jesus. Amen.

25th April

Lord our Healer, we pray for people who are currently ill with Covid-19, those who have recovered but have lingering symptoms, and anyone who has developed medical complications. Grant wisdom and success to those who administer and distribute vaccines and effective treatments. Amen.

2nd May

God our Helper, thank You for people who dedicate themselves to rescuing others: doctors and nurses, emergency services, police and armed forces campaigners for justice, counsellors, mental health professionals and those in the Church who reach out in the power of the Gospel. Amen.

9th May

Heavenly Father, we intercede for children who have been seriously impacted by the pandemic – affecting their development, education, exams and future prospects, activities, mental health and relationships. Please help them to come through this as unscathed as possible. Amen.

16th May

God, we trust in You, our very present Help in trouble. Grant continued strength and endurance as we continue journeying through Covid-19. May we grow in love and grace and draw close to You despite disappointment, uncertainty, grief and concern for ourselves and others. Amen.

23rd May

Creator God, You have made every human being unique and precious in Your sight and in Your image. Thank You for Your countless mercies to us: acts of deliverance, restoration, provision and, above all, salvation through Your Son. Help us to love others as You love us. Amen.

30th May

Lord of the Church, thank You that each member of the Body of Christ has a unique role in your kingdom, and no one needs to feel redundant. Please guide us daily to follow Your path and serve You through the tasks prepared for us in accordance with Your perfect will. Amen.

Prayer Diary

PHILIPPIANS CH 4: V 6-7 Don't worry about anything instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus. Thanks be to God.
